### NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND ABOUT HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

The policy of Neurological Surgery Associates, P.C. is to protect the confidentiality, integrity, and security of the protected health and personal information of our patients and to prevent unauthorized access, use, or disclosure of such information. We are required by law to maintain the privacy of your health information and provide you with this notice of our duties and obligations. This policy applies to persons who are current or former patients of Neurological Surgery Associates, P.C.

Individually identifiable health and personal information is any information obtained by Neurological Surgery Associates, P.C. in connection with providing healthcare treatment and related healthcare operations, and obtaining payment for services. This relates to past, present, or future information that Neurological Surgery Associates, P.C. receives from you as our patient.

Neurological Surgery Associates, P.C. collects personal information in order to learn about your medical history and medical conditions, render treatment, and collect payment for our services. We gather this information from your patient forms, health questionnaires, and other forms you will be asked to complete from time to time. In addition, we will assemble information based on our discussions and conversations with you, your personal representative, and your family members. Your healthcare plan or insurance carrier may also provide information to our office.

We will use this information to provide caring and quality medical care to you. Examples include diagnosis, treatment, discussion regarding treatment alternatives or other health-related benefits, and communications such as follow-up and appointment reminders. As part of our standard treatment and healthcare operations, we may share some information with a facility such as a hospital, laboratory, diagnostic service, or healthcare provider to efficiently coordinate your treatment plan. For contracted insurers, your information will be used for claims management and to obtain payment from your insurance carrier. As required by your insurance contractor, we will exchange paper and electronic data with your insurance carrier for activities such as eligibility, benefit and coverage determinations, precertification, utilization review, and related activities. For worker's compensation, information about work-related conditions can be exchanged with the employer.

Your information is maintained in our office in our practice management computer system. We also maintain information about you in your electronic medical record. Neurological Surgery Associates, P.C. limits the access to your protected health information to those employees and business associates who need to know that information. With some limitations, you have the right to inspect, amend, copy, and receive an accounting of disclosures of your medical billing records.

We do not disclose personal information outside of the reasons listed above to third parties unless one of the following exceptions applies:

- We receive explicit authorization from you to release individually identifiable information. This authorization must be in writing and give exact details regarding to whom the disclosure applies, the nature of the data to be released, and the applicable dates. This authorization must be signed by the patient (or guardian). You may revoke this authorization by providing a written statement to Neurological Surgery Associates, P.C.
- Federal, State, or other applicable law requires us to share protected information or records.

We are obligated to abide by the terms of this notice. If, at any time in the future, it is necessary to disclose any of your personal information in a way that is materially different from this policy, Neurological Surgery Associates, P.C. will give you a notice of the change through a mailed announcement or on your visit following the change.

With some exceptions, you have the right to review and obtain a copy of your health information. This request must be in writing and there may be a reasonable charge to provide you with a copy of your information. You also have the right to request your records to be amended, to request special accommodations and restrictions of your health information, and to receive an accounting of the disclosures of your information. You have the right to request to receive confidential communication of your information. Neurological Surgery Associates, P.C. is not obligated to agree to a requested restriction. We must receive a written request from you to administer these rights. Please speak to the receptionist for further information or to begin the process to exercise any of these rights.

If you have a complaint about the management of your health information or believe your privacy rights have been violated, contact the Practice Manager at (205) 949-1800. You have the right to file a complaint with the Secretary of the Department of Health and Human Services if you believe that your privacy rights have been violated. There will be no retaliation for filing a complaint.

Other uses of PHI:

- We may leave a message on your answering machine or voice mail to contact you about appointments or to have you call our office.
